I am writing in regards to the proposed rate increase by Carolina Water Service under Docket Number 2011-47-WS which I oppose. Carolina Water Service has considerably higher rates for sewer and water than other companies in South Carolina. The requested 80% increase is ludicrous as they should be lowering their rates. I wish it was possible to get water and sewer service from another company such as the City of Lexington as I would switch immediately.

Regards,  
Rocky
